PROFESSIONAL SUMMARY

Detail-oriented Full Stack Developer with hands-on experience in building scalable web applications using the MERN stack. Skilled in designing responsive UIs, developing RESTful APIs, and deploying robust solutions. Strong background in collaborative development, problem-solving, and project leadership, with a proven record of innovation and delivering high-quality applications.

EDUCATION

Government College of Engineering and Research, Awasari Khurd, Pune, India
Bachelor of Engineering, Computer Engineering   2021 – 2025
CGPA: 8.32

EXPERIENCE

NeuSpaarX Technologies Pvt. Ltd – Full Stack Developer Intern | Hyderabad | Jan 2025 – April 2025

- Designed and developed scalable MERN-based web applications, improving performance and responsiveness.

- Built and integrated RESTful APIs with Express.js and MongoDB, ensuring secure and efficient data handling.

- Collaborated with senior developers in an Agile environment, receiving mentorship and regular feedback.

- Gained hands-on experience in deployment, version control (Git), and team collaboration tools.

PROJECTS

GC-Recycling – MERN

- Built a responsive React + Tailwind CSS website with motion animations

- Led as Project Manager during Ignited Innovators of India (COEP's Bhau Institute initiative).

- Project ranked #1 in the Environmental Sector, contributing to startup success.

Hotel Management System – Spring Boot

- Developed a hotel management system using Spring Boot, Spring Data JPA, and MySQL.

- Implemented core modules including room booking, staff management, and authentication workflows.

- Integrated RESTful APIs with JWT-based authentication for secure client-server communication.

- Implemented role-based access control (RBAC) using Spring Security to manage admin, staff, and customer access.

SKILLS

Frontend: HTML5, CSS3, Tailwind CSS, Bootstrap, JavaScript, React.js, TypeScript
Backend: Node.js, Express.js, MongoDB, SQL, Spring Boot
DevOps & Tools: Git, GitHub, Docker, REST APIs, Agile Development
Programming Languages: Java, Python (basic)
Other Skills: Social Media Management, AI-powered Development Tools

ACHIEVEMENTS & LEADERSHIP

- Ignited Innovators of India (Apr 2024): Led GC-Recycling project; achieved Rank #1 in Environmental Sector.

- Enlectic Research Centre (Jan 2023): Member of Business Modeling team, contributing to innovative project strategies.
